in the Southwest. Twenty-five or thirty years ago, as my fellow-citizens know full well, found me be hind the prescription counter in the city in which I now dwell; I have cured more people of various diseases than all the physicians in Louisville put together. Undonbtedly, for every single patient that any Louisville physician less I have a hundred. I am no upstart of yesterday. My Medi-clines are a success—a great success. Louisville is not large enough for me to have a competitor. I monopolize the Wholesale Patent Medicine Trade here. One and another has tried, by copying after me here in Louisville, to compete with me, but, one after another, their guns have been silenced, and their efforts have been abortive. My Medicines are good and answer the purpose-that is the secret of my success. My reputation as a compounder of good, reliable articles is fully established. I believe my Buchu and Bromide of l'oket for the cure of all diseases of the urinary or genito-unrinary organs, such as Noelurnal lucoutinence, Irritability of the Blied ler and Ure'hra, Inflammation of the l'elvis of the Kidney, and alt that class of diseases.

Julin Bull, M. D. Manufacturer and Vender of the CELEBRATED

AGUE AND FEVER CHILLS AND FEVER.

The -proprietor of this celebrated medi-cine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are gtrictly followed and carried out. In a great many cases a single dose has been aufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease hus been checked, more especially in difficult and long standing cases. Usually, this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medieine, after having taken three or four doses of the Tonic, a single dose of BULL'S VEG-ETBALE FAMILY PILLS will be sufficient.

BULL'S WORM DESTROYER

Extract of a Letter from Georgia. VILLANOW, WALKER COUNTY, Ga., } June 29, 1866.

Dr. John Bull-Dear Sir; I have recently given your Worm Destroyer several trials, and find it wonderfully efficacious. It has not failed in a single instance to have the wished for effect. I am doing a pretty large country practice, and have daily use for some article of the kind. I am, sir, respectfully.

St. Louis, April 30. DR. John Bull-Dear Sir: Kitowing the efficiency of your Barsaparilla, and the healing and beneficial qualities it possesses, I send you the following statement of my ease: I was wounded about two years ago-was taken prisoner and confined for sixteen months: Being moved so often, my wounds have not healed yet. I have not sat up a moment'since I was wounded. I am shot B. C. Rauma &C. through the hips. My general health is impaired, and I need something to assist nature. I have more faith in your Sarsaparilla than in any thing else. I wish that that is genuine. Please express me half a dozen bottles, and oblige CAPT. C. P. JOHNSON,

P. S .- Mr. Johnson was the son of a skillful surgeon. His mother recommended to her friends, and for many years used my Sarsaparilla with perfect success. In Scrofula and Fever-sores Mrs. Johnson states that the cures effected were almost miraculous. Read my Journal for extended information and advice in your case. My Journal contains certificates of eminent persons, ministers and medical men-men who are known liere in this community for integrity and veracity. I have recently received a most remarkable certificate from an eminent geutleman of Louisville.
